p 3 - top para - like in Geneva performance probably altered this set-up.

p 3 2nd para Words (but not actions) have led to this image. Whether or not the image is false - no real prob. The fact that it exists is important.

p 4 2nd para Mark Alan orig purpose may or may not have been achieved by Korea altered the course of Alan

p 6 Figgy is given some help here.

p 7 top Has the little member of the big mess really got worked up over expanded living standards & econ well-being? What proof is there that he is not as apathetic & fatalistic as before

p 7 3rd para "integ of individ & consent" - proof for most of the world is lacking! or is it there? How many societies "respect the individual"?

p 8 top Point should be made that & mob capital for Free World, in gen'l, is also & mob cap for US in partic.

p 10 top Communism will not go away with aid to those who won't stand & fight.

p 11 top — "The implied goal of W civ". Yes or no? Proof? Too big a goal? Too Messianic?

p 11 3rd para — Is it, globally speaking, an "essential precondition" for the global civ ~~that~~ we desire? Is ~~this~~ not getting ~~the~~ argument ~~off~~ on ~~the~~ same materialistic track ~~that~~ the Marxists use?

p 12 top — Has the time indeed come when domestic ~~home~~ expansion will not serve as the basis econ stimu? Do we have to seek world ~~markets~~? Paley vs Malone?

p 12 2nd — So, ~~that~~ are societies ~~that~~ do not feel so strongly about econ growth. Contrast this with statement of p 7 ~~top~~ para.

p 15 mid — The leaders of most new & old underdeveloped countries 25X1A9a of the inflated hung-up ~~up~~. (See [redacted] for problems of no patience etc..)
